

## **In-Person Worship Services During COVID**

### **What to expect when you arrive**

- All attendees are required to wear a tight fitting mask the whole time. We will have extra masks if you need one.
- When you arrive, please check in with the usher at the welcome table in the Atrium. They will check you in from [the sign-up list](#).
- From there, you're invited to find your nametag or write your name on a nametag sticker. This will especially help with identifying people under their masks!
- Bulletins will be available for you to pick up from tables in from the Sanctuary doors.
- Find a seat in the Sanctuary with your household. Please leave three or four chairs between you and the next household.
- Restrooms are available for your use. Please avoid creating a line – wait outside the restroom if all stalls are occupied

### **What to expect during the service**

- We are not able to sing together yet, but there will be plenty of music as part of the service.
- Worship leaders will remove their masks to speak and/or sing. Everyone else should keep their masks on the whole time.
- During the Time of Reflection and Offering, you'll be invited to come forward to light a candle, write a prayer request, or drop off an offering at the tables next to the chancel. Please keep your distance from others while moving around or waiting in line.

### **What to expect after the service**

- After the Postlude, you're welcome to move into the Atrium for a time of fellowship. Even if we can't yet have coffee and cookies, we can still spend time with one another! Please keep your masks on the whole time.
- Please be aware that folks may not be comfortable with physical contact, and please ask before shaking hands or hugging, and respect those who feel safer saying no.

- We'll ask you to leave after about half an hour, or around 11:30.

**If you have any questions, please ask! We know it's a lot to get used to.**
